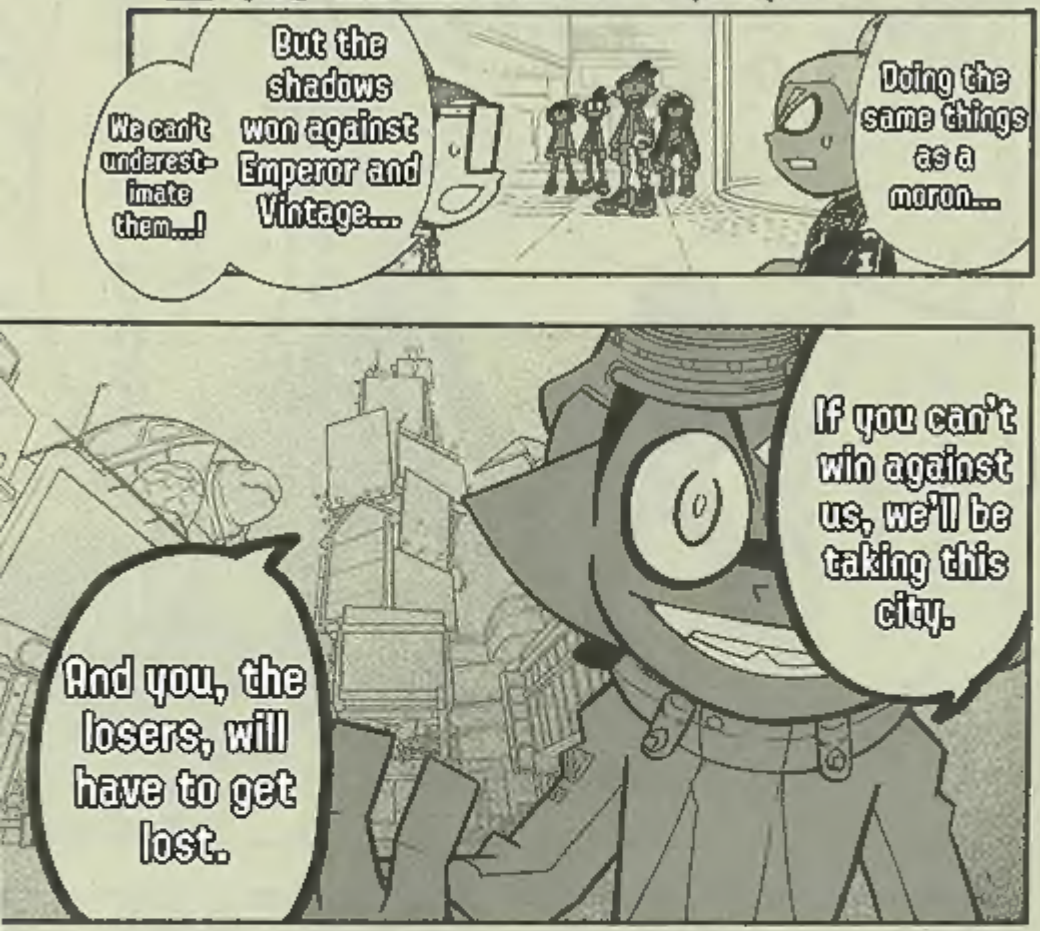
どーん!
Whether it's speed eating or a staring contest, bring it on!
In a turf war!
どどーん!!
Shadows can do the same thing.
Even that!?
Team bread?

イカしたぬりつぶしマンガ!!



Muu.
We'll use electric waves to make your legs tingle.
With electric waves!?
The four who lost in the second battle.

Just wait everyone! I'm coming!
We're fine.
Oh no!
It's because us shadows are made of electric waves.
That's so lame, I don't like this!

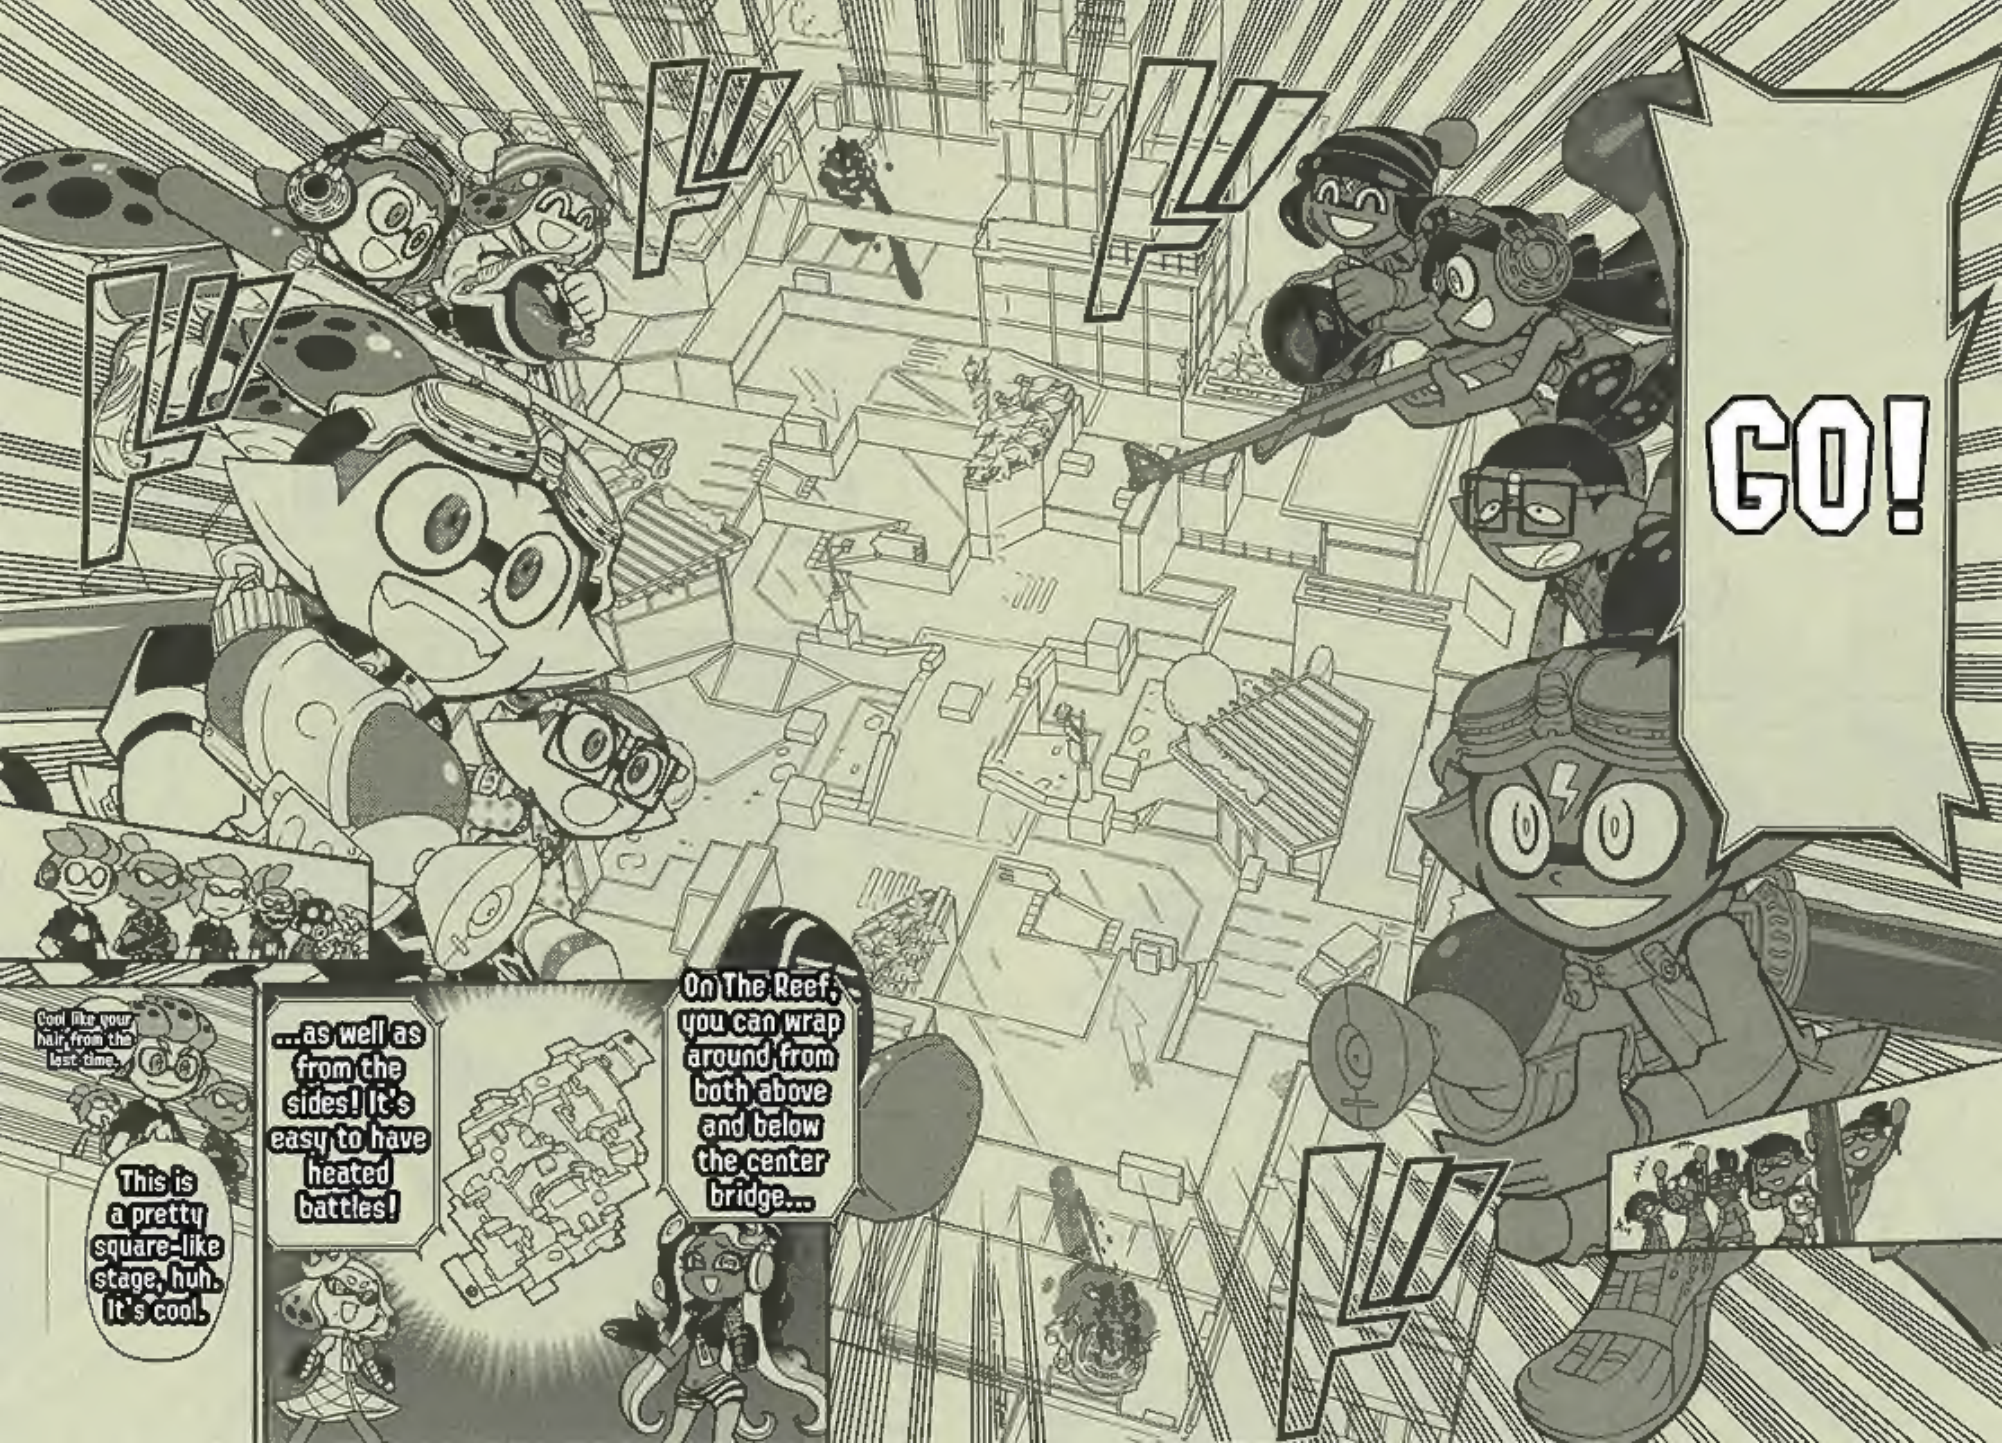
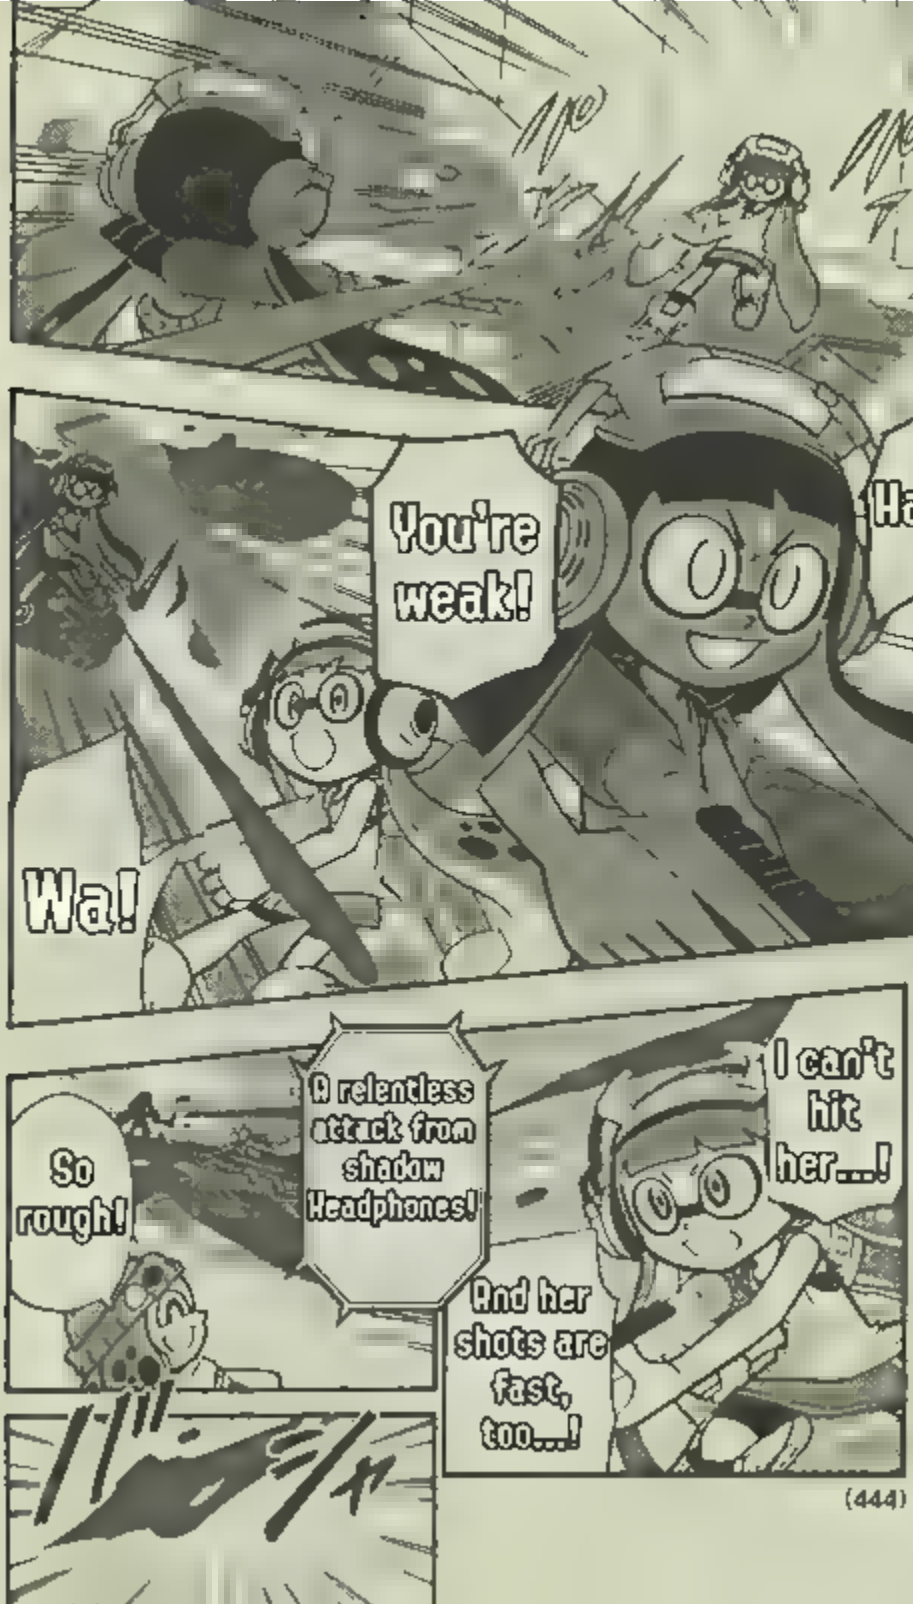
The Reef
We'll do something about Lil Judd and the square!
Yeah!
It's the final battle between the shadows and the originals!
Blue Team
Shadow Blue Team
Bring it!
Ready...
Are you ready?



GO!
Cool like your hair, from the last time.
This is a pretty square-like stage, huh. It's cool.
...as well as from the sides! It's easy to have heated battles!
On The Reef, you can wrap around from both above and below the center bridge...

ドドドド
Let's split up and paint efficiently!
Oh!
Blue Team's painting ahead!
Let's go.
!

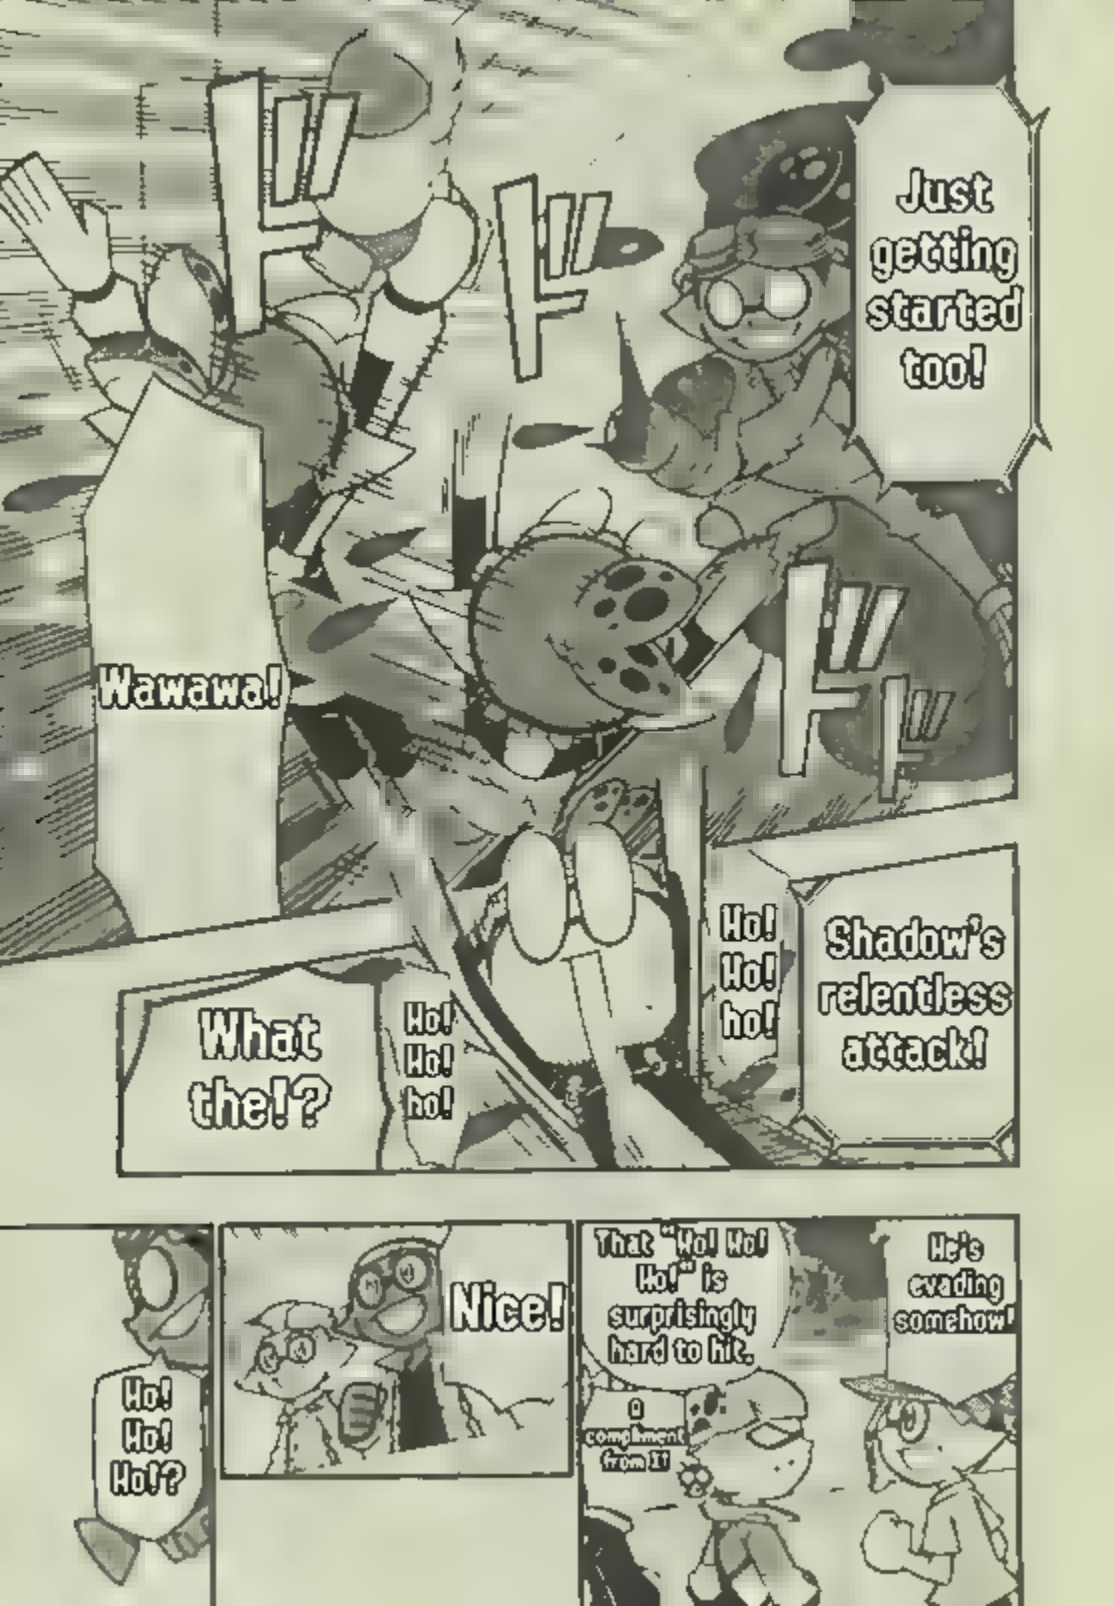
Whoops! The shadows are blocking them off!
It's a 1v1!
Alright!
Isn't it more fun this way?



You're weak!
Ha.
Wa!
I can't hit her....!
A relentless attack from shadow Headphones!
So rough!
And her shots are fast, too....!

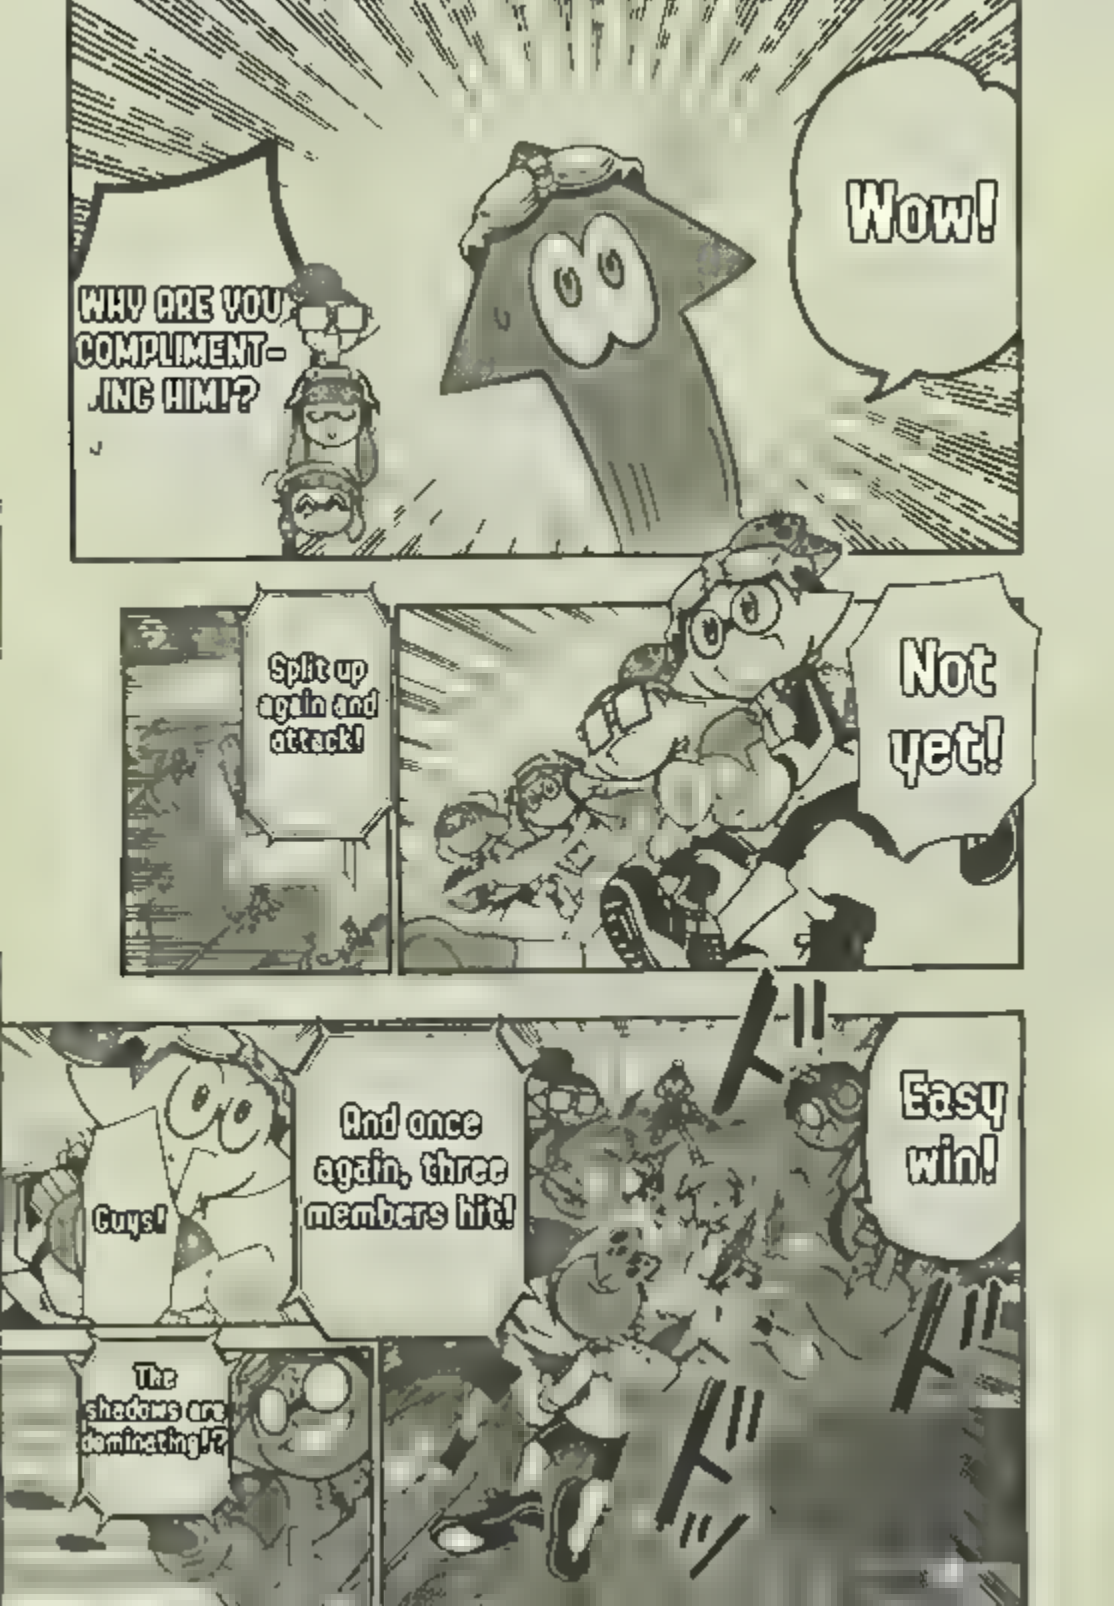
She's really mad!
Care free!
You guys are pissing me off.
Don't just spectate now.
And this guy is just moronic as always, but he's fast too!
Fuhehe~
Ha..
Are they actually stronger than the originals..!?
Shadow Team's pushing in!

Morooon!
Maaad!
Is that all you've got?
Wa!
Waa!
Kyaa!
Everyone!
Three members, hit!
Are you in a position to be worried about your allies?

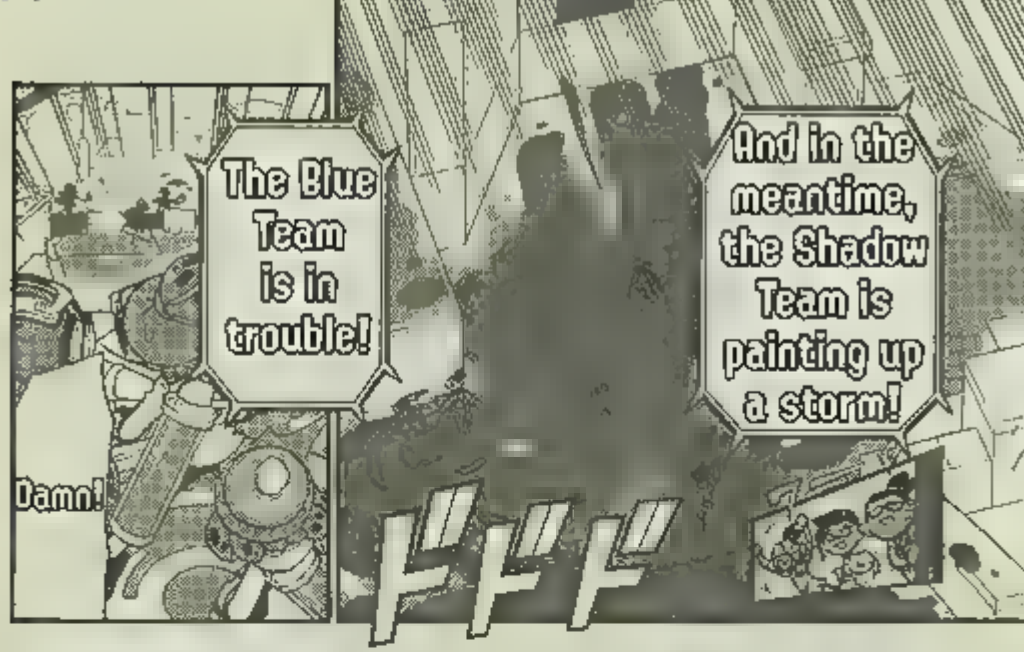


Just getting started too!
Wawawa!
Ho! Ho! ho!
Shadow's relentless attack!
What the!?
Ho! Ho! ho!
Ho! Ho! Ho!?
Nice!
That "Ho! Ho! Ho!" is surprisingly hard to hit.
A compliment from it!
He's evading somehow!

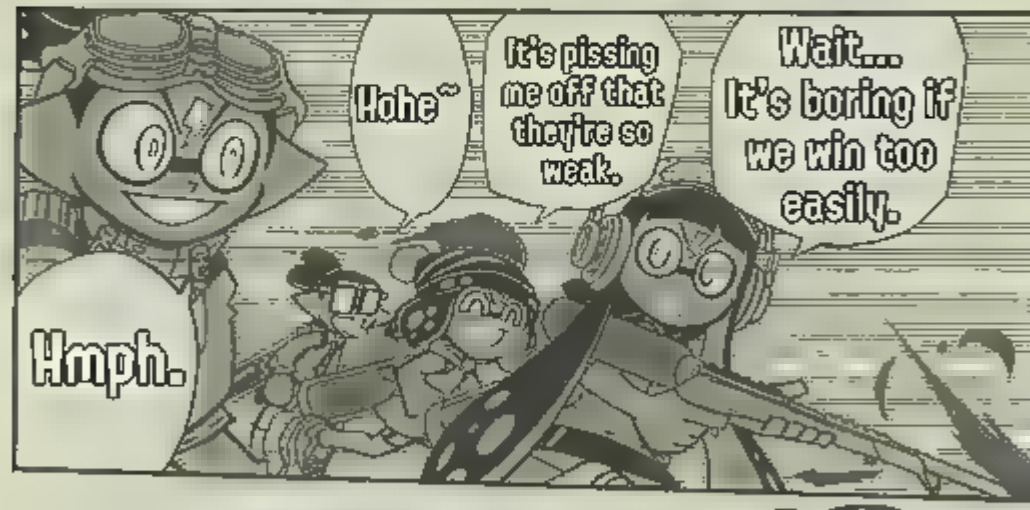
I know your movements.
Because I can do the same thing.
Ho! Ho! Hou!
!
Goggles!
He's strong...!
Hit!



Wow!
WHY ARE YOU COMPLIMENT-ING HIM!?
Not yet!
Split up again and attack!
Easy win!
And once again, three members hit!
Guys!
The shadows are dominating!?



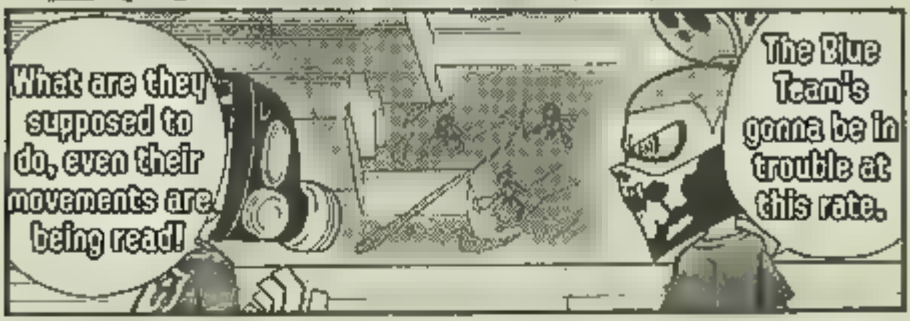
The Blue Team is in trouble!
Damn!
And in the meantime, the Shadow Team is painting up a storm!
ドドド



Hmph.
Hohe~
It's pissing me off that they're so weak.
Wait... It's boring if we win too easily.

Let's paint it back!
There's still time left!
We can still enjoy ourselves.

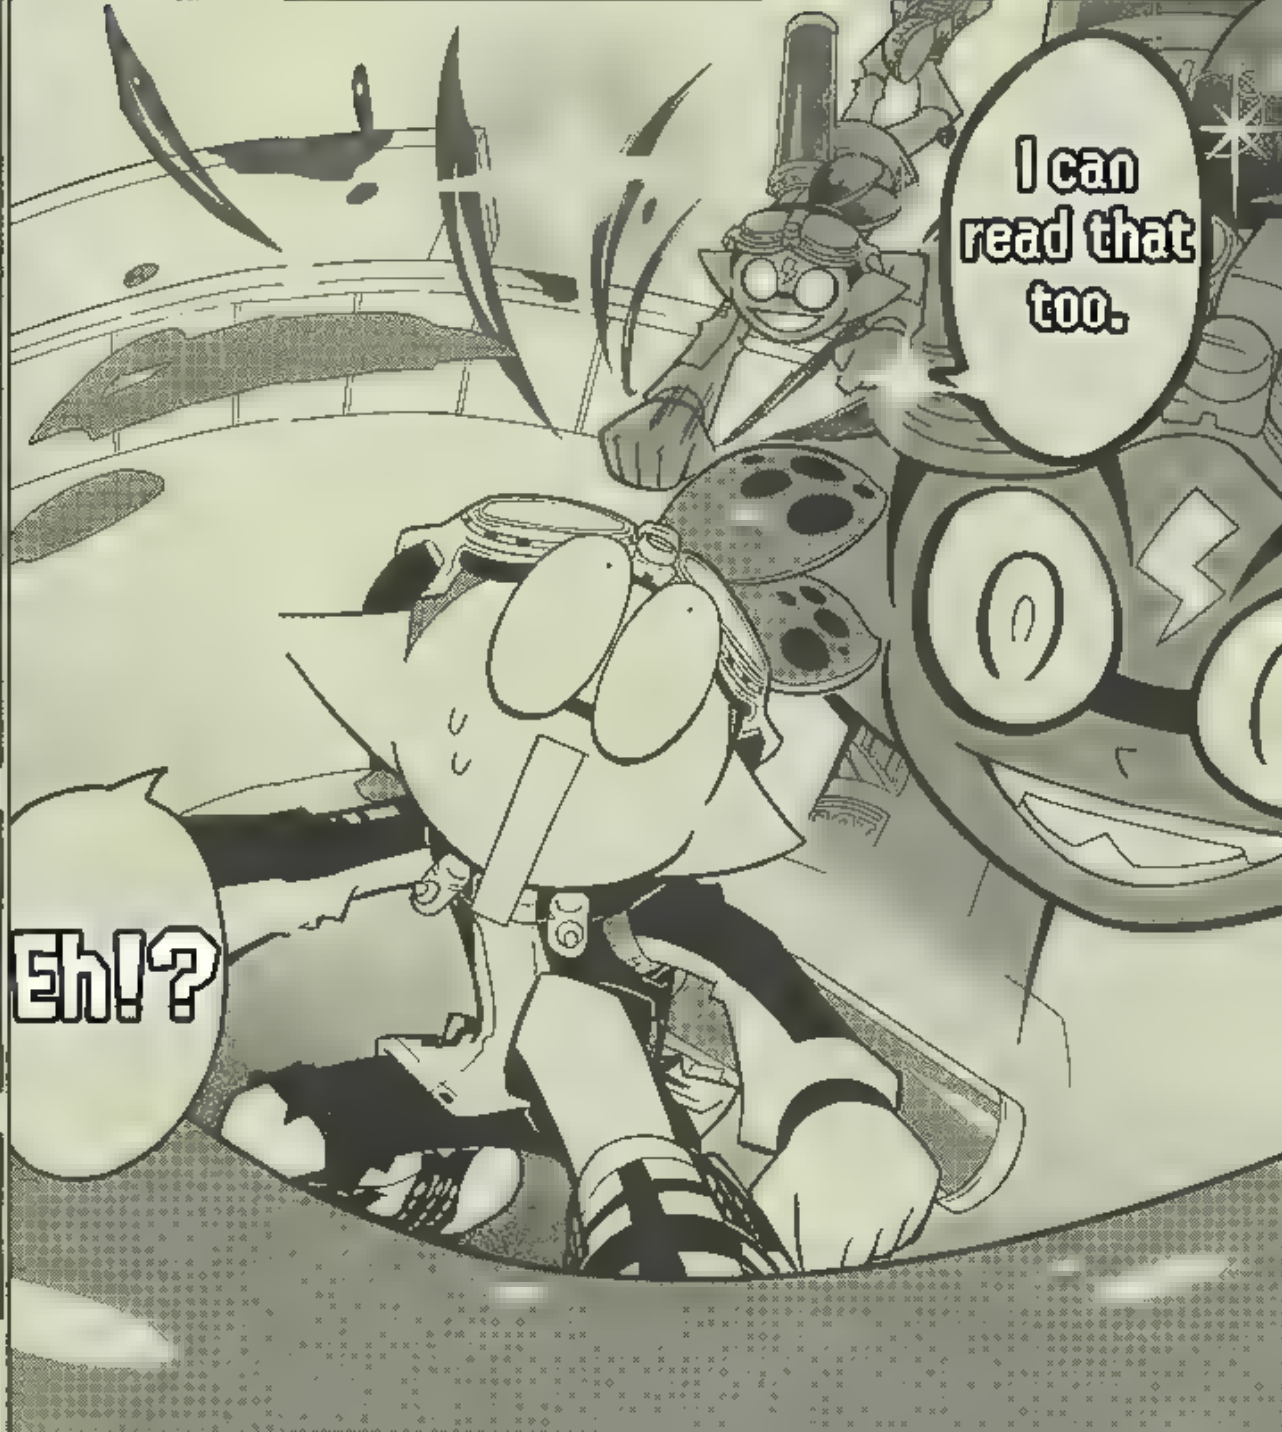
イカしたぬりつぶしマンガ!!



He's never faced an opponent like this before.
You need to hold out, Blue Team.
Huh!?
Goggles is gone?
Okay!
Goggles!

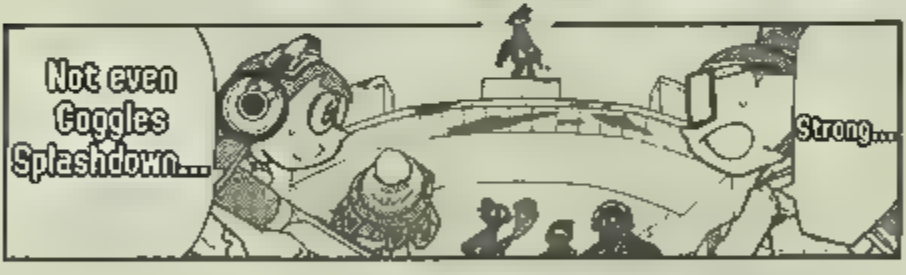
Here I go!
スペシャルウエポン
スーパーチャクチ!!
Did he build up his special while we weren't watching!?
Goooo!
He did it!

スーパーチャクチ!!
Waa!
Hit!
Shadow Goggles used splashdown, too!
He didn't just dodge, he even returned his Splashdown with perfect timing...!

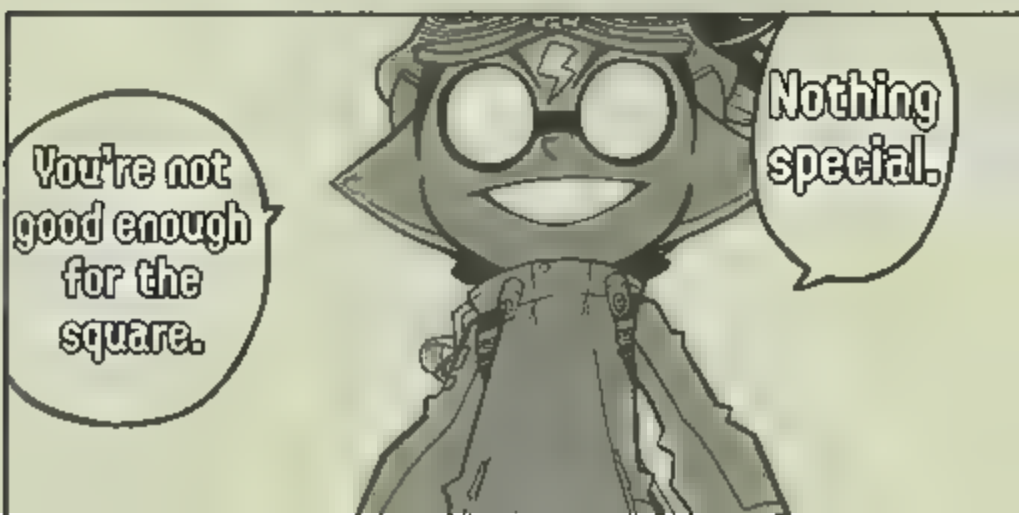


I can read that too.
Eh!?

Blue Team is...
...in big trouble!



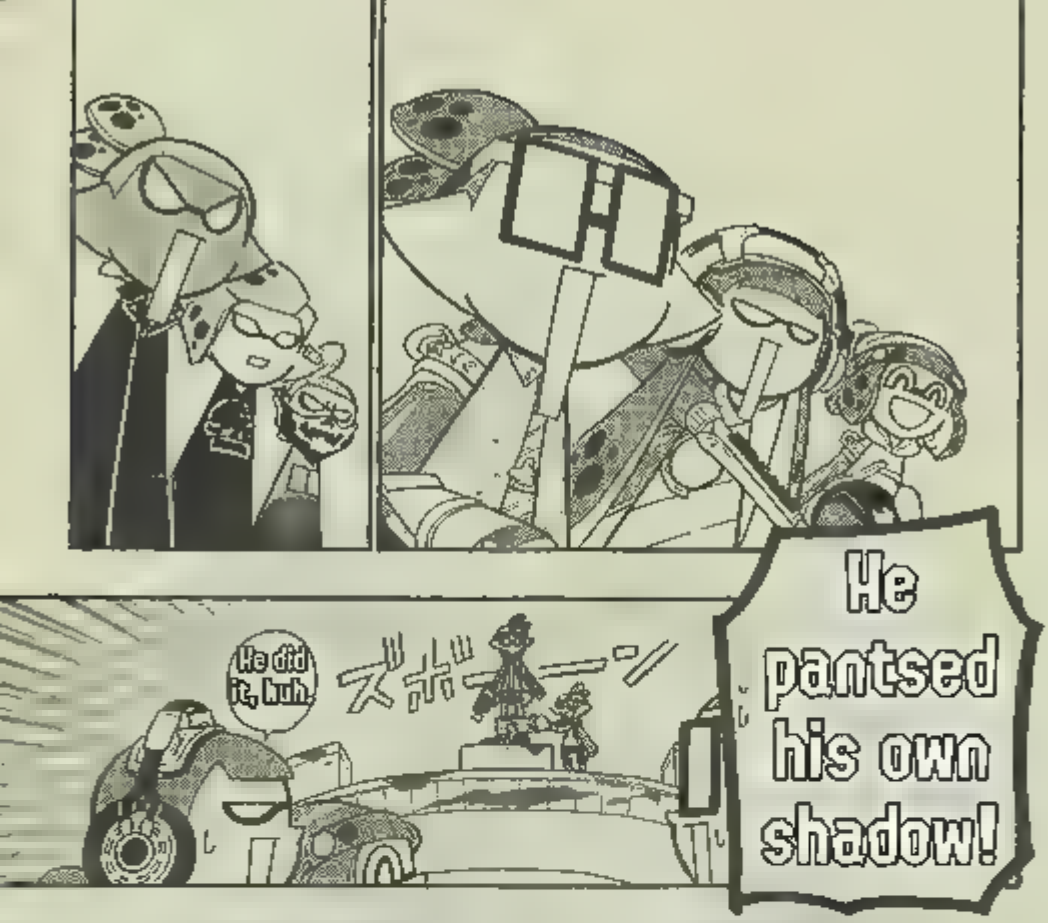
Not even Goggles Splashdown...
Strong...



Nothing special.
You're not good enough for the square.

Kh...
...So those bad waves that I felt... were the shadows...!
Are you frustrated?
Get lost.
We're gonna enjoy the square.

If so, then bring it.



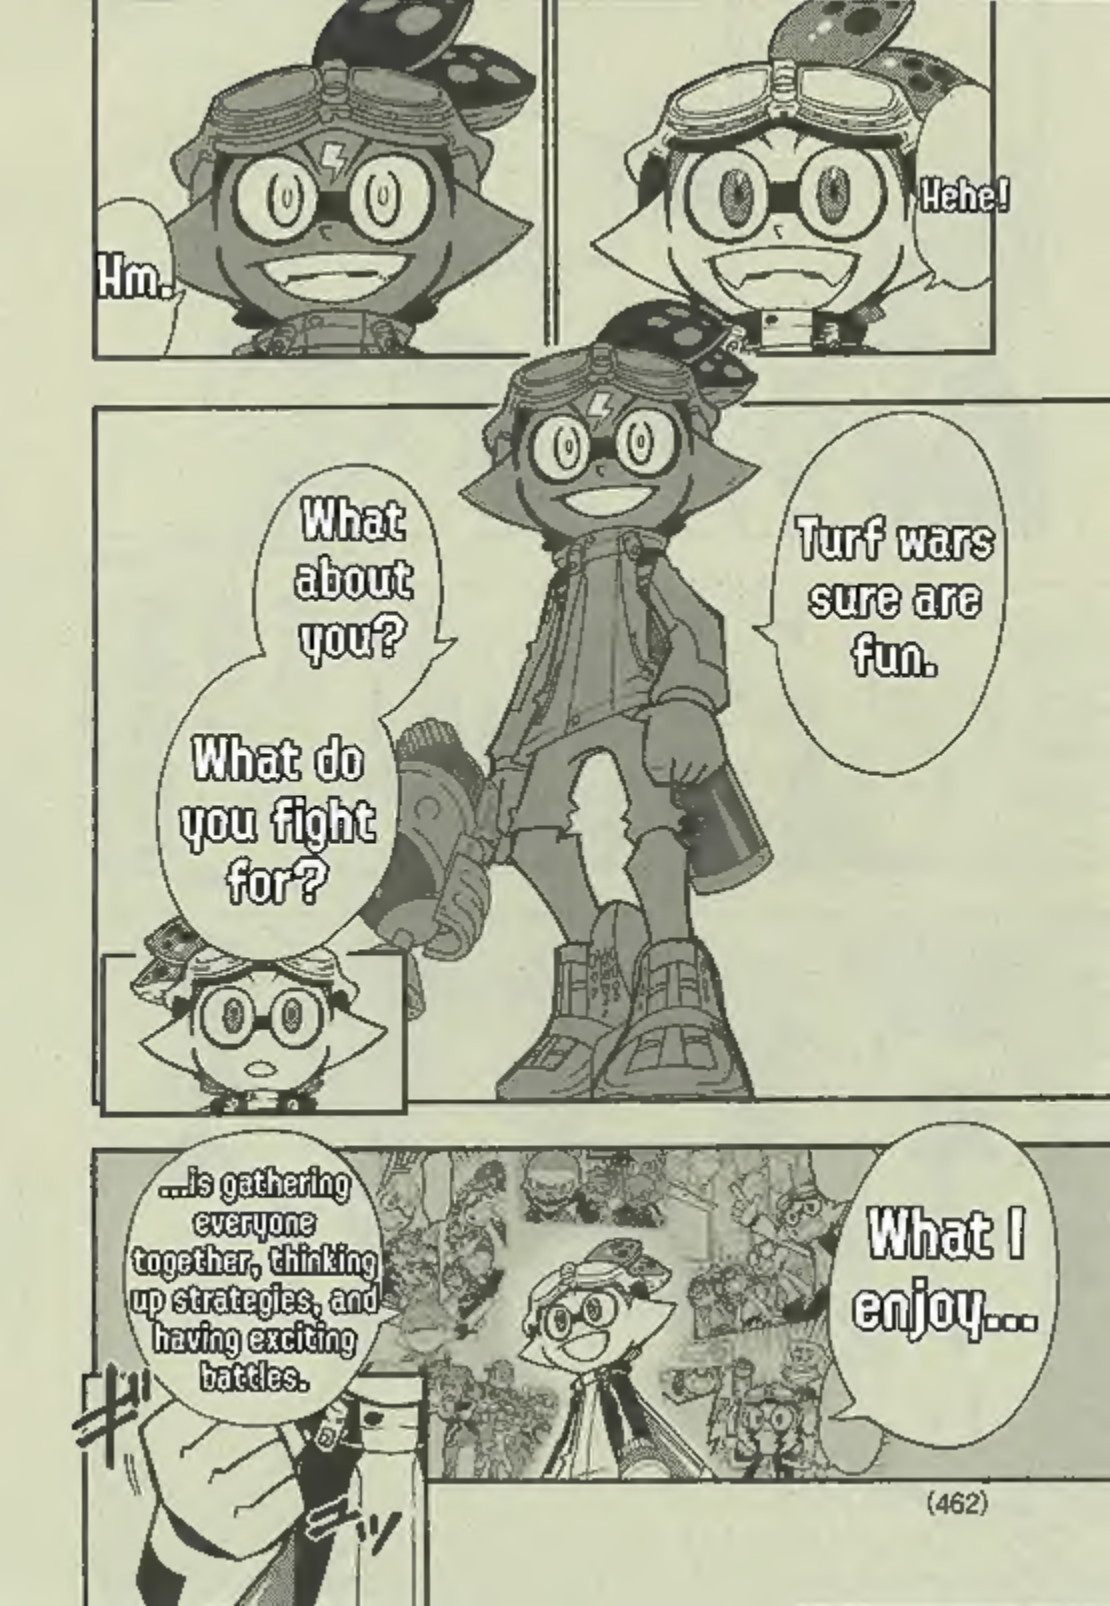
He did it, huh.
ズボーン
He pantsed his own shadow!

Hmph.

We're not gonna hand over the square!

I thought I told you that I can do the same thing.

I got pulled down!
Isn't this the first time that anyone got Goggles!?
He got pantsed by his own shadow!
Wha!?
Wha!?
Repeatedly!
Hmph



Hm.
Hehe!
Turf wars sure are fun.
What about you?
What do you fight for?
What I enjoy...
...is gathering everyone together, thinking up strategies, and having exciting battles.

■苦境に立たされても、くじけない。
